June, 1943

MAXTON, NORTH CAROLINA

ACCELERATION BEFORE MILITARY SERVICE

Young man, you will begin military service at the age of eighteen. Unless the war ends before then you certainly face this patriotic duty. Plan your education so as to accomplish as much as possible before then. Prepare yourself to render greater service to your country in the war effort and to follow the career you choose after peace has come again. Get ready now to take your place in helping build the glad new world when justice, righteousness, peace, and brotherhood have been established. Prepare now to participate then. If your health does not permit military service you have greater need for education to help you live an effective life.

You have only one life. Make it a good life. Education will help you.

Our accelerated program uses all the days in a year except fifty-two Sundays and about thirty-seven holidays. Six days of school per week and double summer schools at Presbyterian Junior College enable you to accelerate your education one-third or more. Enter college June 7th, July 19th, or September 9th.

If you are still in high school you may attend preparatory summer schools beginning the same dates. Read carefully the section in this catalog about the Accelerated Summer Schools and think earnestly about your educational program.

We are fortunate at Presbyterian Junior Collage that our participation in training army aviators does not interfere at all with our regular preparatory and college work because our aviation ground school is conducted at Lumberton, leaving our campus free.

"We must remember that next to active military service itself, there is no higher opportunity for serving our country than helping youth to carry on in their efforts to make themselves physically strong, mentally awake, and morally straight, and prepared to help their country to the full in time of war, as well as in time of peace."—Franklin Delano Roosevelt.

PRESBYTERIAN JUNIOR COLLEGE BULLETIN

Vol. 5 No. 11

Maxton, N. C.

June, 1943

Entered as Second Class Matter August 19, 1938, at the Post Office at Maxton, North Carolina, under Act of Congress August 24, 1912. Published monthly by Presbyterian Junior College for Men.

FORM OF BEQUEST

I give and bequeath to the Presbyterian Junior College for Men, Inc., located at Maxton, N. C., the following (here describe real estate, etc., or \$ _____, or the following stocks and bonds).

You are invited to correspond with the President concerning opportunities for investing in Christian education. Memorials of small sums may be established in the endowment funds or in larger amounts by the erection of buildings or by providing facilities for student self-help. There is a need for many friends of Christian education who will indicate their purpose to contribute annually to this educational ministry to youth and thus help establish a living endowment.

“More real moral power issues from some small colleges whose atmosphere is pervaded with the spirit of Christianity and where Christ is held up as the one to emulate, than from a great university where mere knowledge is the object sought and where both the restraints and the moulding influence of the Christ spirit are absent.”—St. Louis Globe-Democrat.

BUILDING CHRISTIAN MANHOOD

is the task of Presbyterian Junior College. It strives to do more than give a good academic training. It seeks to develop well-rounded Christian character.

STUDENT CENTERED EDUCATION

places each student in the focus of attention and asks the question, What is best for this boy? An effort is made to understand each individual and wisely to direct his development. The technique of case study is employed in obtaining a knowledge of each youth. A matriculation blank, aptitude tests, interviews, and frequent class marks help the counselors know the student. The curriculum, extra curricular activities, athletics, the counseling program, the religious program, and specialized skills or knowledge are used as tools to help each youth attain higher self-development. The aim is to bring all the school's resources to the service of each young man. The brilliant student is encouraged to more rapid and more comprehensive work, without neglecting his physical, social, and spiritual capacities. The weak student is helped to realize and overcome his deficiencies.

SUPERVISION OF STUDENT ACTIVITIES

is provided by the Dean and carefully selected student Monitors who reside in the dormitory, thereby promoting gentlemanly conduct and wholesome influences.

ATHLETIC TEAMS

trained under the supervision of the Coaches participate in baseball, basketball, football, tennis and track contests. Golf is available. Every student takes part in the physical training program.

AMPLE SOCIAL AND RELIGIOUS ACTIVITIES

are provided under the supervision of the Director of Student Social and Religious Activities.

A STUDY PERIOD

of two hours is observed by the student in his own room.

INDIVIDUAL ATTENTION

to the need of each student is facilitated by small classes.
This makes possible our

HIGH SCHOLASTIC STANDARDS

which have been responsible for the

SUCCESS OF OUR GRADUATES

at leading college and universities and in the business world.
We seek to keep

**STUDENT CHARGES LOW AND STANDARDS
HIGH.**

“Education is necessary for the preservation of those conditions of freedom, political and social, which are indispensable to free individual development.”—Woodrow Wilson.

COLLEGE CALENDAR, 1943-44

1943 ACCELERATED SUMMER SESSION

June 7, Monday, 2:00 P. M.—Enroll for classes for First Term.

June 8, Tuesday, 8:00 A. M.—Classes begin.

July 5, Monday.—Holiday for Independence Day.

July 19, Monday, 2:00 P. M.—Enroll for classes for Second Term.

July 20, Tuesday, 8:00 A. M.—Classes begin.

August 30-31, Monday and Tuesday—Final Examinations for Second Term.

FIRST SEMESTER

September 9, Thursday, 7:00 P. M.—Faculty Meeting.

September 10, Friday, 9:00 A. M. — Registration of new students.

September 10, Friday, 2:00 P. M.—Aptitude Test—Orientation program begins.

September 11, Saturday, 9:00 A. M. to 1:15 P. M.—Registration continued.

September 13, Monday, 8:00 A. M.—Classes begin.

September 13, Monday, 10:00 A. M. — Formal opening of college.

September 13, Monday, 3:00 P. M.—Re-examinations.

September 14, Tuesday, 7:00 P. M. — Faculty fellowship dinner.

September 25, Saturday, 8:00 P. M.—Reception to new students and faculty members.

October 15, Friday, 8:00 P. M. — Executive Committee Meeting.

November 13, Saturday—Homecoming—Alumni Luncheon at 1 P. M.

November 15, Monday, 11:00 A. M.—Meeting of Trustees.

November 25, Thursday—Thanksgiving Day Holiday omitted during war.

December 17, Friday, 1:15 P. M.—Christmas vacation begins.
1944

January 4, Tuesday, 8:00 A. M.—Classes begin.

January 15, Saturday—Mid-year examinations begin.

January 25, Tuesday—Mid-year examinations close.

SECOND SEMESTER

January 26, Wednesday, 8:00 A. M.—Second Semester begins. Registration ends for second semester.

February 1, Tuesday, 2:00 P. M.—Re-examinations.

February 18, Friday, 8:00 P. M. — Executive Committee Meeting.

February 21, Monday—Founders' Day.

February 21-27—Religious Emphasis Week.

April 7, Friday, 1:15 P. M.—Spring Holidays begin.

April 14, Friday, 8:00 A. M.—Spring Holidays end.

May 15, Monday—Meeting of Trustees.

May 20, Saturday—Final examinations begin.

May 28, Sunday, 11:00 A. M.—Commencement Sermon.

May 30, Tuesday—Graduating Exercises.

May 31, Wednesday—Examinations close.

18. DIRECTORS OF STUDENT STORE: The President, the Business Manager, Faculty Representative, Cain; Two Student Body Representatives.

THE COLLEGE

HISTORY

The Presbyterian Church has a long tradition of emphasis upon education. Presbyterian Junior College for Men is located in territory which began to be settled by Scotch Highlanders even before 1729 when the province was divided into North and South Carolina. Ten of the pioneer academies in North Carolina were founded by Presbyterian ministers, and six of the seven members of the first class at Chapel Hill (University of North Carolina) followed their Presbyterian minister-schoolmaster from his classical academy when he became first professor at Chapel Hill. In 1837 Presbyterians founded Davidson College, which has exerted a large and beneficent influence in the life of Church and State. Presbyterian Junior College is a logical development in this traditional service to mankind through Christian education. It is heir of the rich heritage which reaches back into the Middle Ages when the Church was the mother of learning and when the foundations of Western culture were laid by the establishment of the European universities under the auspices of the Church. Seeking to be broad and tolerant as Christian love, Presbyterian Junior College is at the same time loyally true to historic Christianity and bases its teachings upon the truths revealed in Scripture. It believes the finest mental development must be accompanied by moral and spiritual growth, and so seeks to guide young men in the way of Christ, the Light of the World.

The junior college movement is comparatively recent. In 1900 there were only two junior colleges in the United States. So favorably have the educational values of junior colleges been received by educators and patrons that in 1942 there were six hundred and twenty-seven junior colleges in operation.

On September 28, 1927, the Trustees of Elise High School

presented an overture to Fayetteville Presbytery seeking authority to establish a junior college in connection with that institution. Elise Academy had been begun by Fayetteville Presbytery when, in 1904, Rev. Robert S. Arrowood, a home missionary of the Presbytery, opened a small school at Hemp, N. C. Mr. John B. Lenning, capitalist and railroad builder, gave land for the school, and the new enterprise was called Elise in honor of his daughter. It was provided that "The Bible shall be used as a textbook throughout the school in such measure and proportion as the board may determine so as to make the school distinctively a Christian school." The purpose of the school was unselfish Christian service to young people. Before its consolidation with Presbyterian Junior College in 1940, it came to be widely known as an outstanding preparatory school, attracting students from a wide territory. It is noteworthy that many of its graduates became ministers.

The request of Elise Academy, in 1927, that a junior college be established, was but a crystallization of a general feeling that there was a "real need in this part of the Lord's vineyard" for such an institution. Fayetteville Presbytery resolved, "That we recognize the need of a junior college (for men) and recommend that such an institution be established as soon as possible." A committee of five members was appointed to investigate the question. A similar committee was appointed by Mecklenburg Presbytery. These committees made a thorough study of the matter and in their report to a joint session of the two Presbyteries held in the auditorium of Carolina College at Maxton, North Carolina, on November 29, 1927, endorsed the plan to establish a junior college and recommended that the offer of the owners of the Carolina College property at Maxton be accepted and the institution located there. The two Presbyteries recommended this report of their committees to the Synod of North Carolina.

Carolina College had been built by the Methodist Church

and opened as a college for women in 1911. At the time of the Duke legacy there was a sentiment favoring concentration upon Duke University, and the Methodist conference had voted to close Carolina College.

The Synod of North Carolina met in special session in the auditorium of Carolina College on February 21, 1928, to consider the Presbyteries' recommendations. After a full discussion of the whole question the Synod resolved to establish a junior college at Maxton and to accept the generous offer of the Methodist Conference of North Carolina to sell the Carolina College property. A Board of Trustees consisting of eighteen members was elected, one trustee from each prebytery and nine trustees at large. The Board was authorized to procure a charter under the laws of the State of North Carolina for the Presbyterian Junior College for Men, the name chosen for the new institution. It is owned and controlled by the Synod of North Carolina through its elected Board of Trustees. The Board of Trustees was further authorized to acquire a title to the Carolina College property and to establish and set in operation a junior college at Maxton.

A charter was obtained by the Trustees from the State of North Carolina. Gifts amounting to \$20,000.00 were secured and the Carolina College properties consisting of eighteen and one-half acres of land on which were situated the administration building, dormitory and president's home were acquired. The \$15,600 balance of the purchase price was borrowed. This plant, representing an investment of some \$200,000.00, was practically new and furnishes excellent facilities for the college. Mr. J. P. Wiggins was generous of his time and effort in behalf of the College in this organization period.

Rev. R. A. McLeod, the superintendent of Elise Academy, was elected to the presidency and a teaching staff assembled and the college opened September 11, 1929 with an enrollment of eighty-four. The depression came on only a few

months later. However, through the grace of God and the self-sacrificing efforts of the faculty and trustees, the college managed to come through the depression with a growing recognition of the quality of its educational standards and methods.

The death of Mr. McLeod on January 5, 1932, was a serious blow to the young institution.

Mr. R. G. Matheson, Jr., served as president from 1932 to 1934. During his term of office the enrollment of the college department had a considerable increase, the budget was balanced, with the help of a self-sacrificing faculty, and the present gymnasium built with materials furnished by students on accounts and labor provided by the CWA.

Rev. P. Cary Adams served as President from 1934 to 1938. Improvements continued to be made and the student body to grow. An attractive cottage near the campus was the gift of Mr. T. B. Upchurch of Raeford, N. C. A tract of five and one-half acres was given by Mr. D. A. Patterson and has been made into an athletic field.

After the financial depression, by the fall of 1937 it was found that the unpaid balance of the original purchase price had mounted, with accumulated interest, to \$28,000.00 and that operating debts had been incurred. The Board of Trustees made Professor J. O. Mann, Jr., Business Manager for the College. By balancing the budget and by rigid economy, in 1938 the entire operating deficit of \$20,000.00 was retired with the help of generous gifts by friends of the college.

Upon the resignation of President Adams in 1938, Rev. Louis C. LaMotte was elected to the presidency. There is an increasing emphasis by the faculty on the religious and social life of the students. Individual personal guidance of each student is emphasized. The aim is the developing of well-rounded Christian manhood.

In February, 1939, Mr. W. H. Belk and Mr. R. L. McLeod offered to contribute over \$20,000.00 in payment upon the purchase price debt when the balance of the debt should be

discharged. The Church responded and the debt which stood at \$33,169.43 on the books of the college in February was all paid and the mortgages were burned at commencement. Renovation and improvements of the physical plant have continued. A Physics Laboratory and Mechanical Drawing Room have been added. At the opening of college in the fall of 1939 the gift of the Anstress McLean Memorial Campus was announced. Mr. and Mrs. Adolphus Alexander McLeod and their daughter, Miss Mary Stewart McLeod, deeded the college thirty-two and one-half acres adjoining the rear campus to be known as the Anstress McLean Memorial Campus in memory of their Mother and Grandmother, who was born on the tract as Miss Anstress McLean. Provision was made for the Anstress McLean Memorial Loan Fund which is mentioned elsewhere in the catalogue. The Civil Aeronautics Authority of the United States Government selected Presbyterian Junior College for the establishment of a Civilian Pilot Training Unit in 1939.

The first summer school was held in 1940. A new hangar had been prepared to house the training planes. A small golf course had been constructed on the rear campus. There have been several gifts of books to the library, the largest being the deposit of the library of Dr. Watson M. Fairley. The college endowment committee has purchased the residence occupied by the president of the college. The endowment fund is slowly growing.

In the spring of 1940 the trustees of Elise Academy decided to sell the building at Hemp to the county for a public school. A movement was started among the alumni of Elise to consolidate Elise Academy with the preparatory department of Presbyterian Junior College. The Elise Trustees took action, a part of which is as follows:

“The Board of Trustees of Elise Academy recommends to Fayetteville Presbytery that Elise Academy be consolidated with the Presbyterian Junior College, and

that all records, small properties, and whatsoever may be transferable, be transferred to Presbyterian Junior College for Men, Inc., Maxton, N. C., together with the good will of the Board of Trustees of Elise Academy.”

A permanent exhibit of pictures, plaques, and other mementos of Elise has been arranged at Presbyterian Junior College. One-third of the funds from the sale of the Elise property has been assigned to Presbyterian Junior College and will be known as the Elise Memorial Endowment Fund. The preparatory department, consisting of the 10th, 11th, and 12th grades, has an alternate title Elise Senior High School, thus keeping in perpetuity the memory of the great service rendered by Elise Academy. Alumni of Elise are automatically alumni of the consolidated school. By this consolidation in 1940, the school which began in 1904 has come to be reunited with the junior college which it was instrumental in establishing in 1928. The preparatory department is given increased prestige and emphasis by this consolidation. Zeta Chapter of Phi Rho Pi, Forensic Society, was added.

During the summer and fall of 1941 considerable improvements were made to the College plant. The business office and registrar's office were relocated next to the president's office. The aviation laboratory was divided into an engine department and an aircraft department and a new physics laboratory was equipped on the second floor. The mechanical drawing room was relocated and improved. Dr. George A. Works, of the University of Chicago, School of Education, and his assistants made a survey of the College by request of the administration with a view to strengthening and perfecting the educational program.

The college was approved for Enlisted Reserve Corps and Navy V-1 students in the spring of 1942, and a large number enlisted for these programs. The accelerated summer school was conducted for two terms in 1942 and the enrollment was much larger. Civilian Pilot Training, limited to

Enlisted Reserves, was expanded and conducted as an extension school in Lumberton. Mr. W. H. Belk of Charlotte gave \$5,000 to endowment and promised another \$5,000 when his gift will make the total endowment \$100,000. The endowment stood at \$15,000.00 on March 31, 1943. Earnest efforts are being made to secure other gifts which will meet the condition and admit to higher educational recognition. Considerable improvements to the plant have been effected, including a new fireproof dressing room added to the gymnasium and arrangement of the third story of the dormitory for occupancy.

Hurry-up War Training night classes in typing and stenography were begun in the fall of 1942

Auxiliaries have contributed several hundred dollars to the endowment in war savings stamps and bonds.

Civilian Pilot Training was changed to War Training Service and Presbyterian Junior College became one of two secondary training schools in the southeast, with the trainees housed in the armory in Lumberton.

Mr. and Mrs. J. E. Morrison established the Cadet James Eugene Morrison, Jr. Student Loan Fund in memory of their son, an alumnus of Presbyterian Junior College in the class of 1940, who gave his life in the service of his country, being killed in an aviation accident on February 28, 1943.

PORTICO

CAMPUS VIEW

OPPORTUNITIES FOR INVESTMENT IN CHRISTIAN EDUCATION

The College looks to friends of Christian Education for help in entering into an enlarging service. Financial objectives are:

1. Funds for the endowment required by the standards set up by the Southern Association of Schools and Colleges.
2. Funds for further renovation and improvements to the plant.
3. Funds for a new cottage dormitory to house the increasing enrollment.
4. Funds for establishing scholarships for needy students.

“Too frequently religious education has been regarded as a thing apart. Rather it is the natural and logical conclusion of all education, just as religion is the natural and complete expression of man’s being.”—Hornes Psychological principles of Education.

LOCATION AND TRANSPORTATION

Presbyterian Junior College is located in Maxton, North Carolina. Maxton is only about sixty miles due south of the geographical center of North Carolina. Within a radius of forty miles of Maxton are Pinehurst and Southern Pines, Fort Bragg, Aberdeen, Fayetteville, Hamlet, Rockingham, Raeford, Lumberton, Rowland, Fairmont, Chadbourn and St. Pauls; and over the fifteen-mile distant South Carolina line in the same radius Cheraw, Bennettsville, Society Hill, Dillon and Marion. It is on the S. A. L. Railroad between Wilmington and Charlotte and on the A. C. L. Railroad between Fayetteville and Columbia, S. C. Pembroke, on the main line of the A. C. L. Railroad, is nine miles east of Maxton. Hamlet, an important junction on the S. A. L. Railroad, is twenty-five miles west. Fayetteville is thirty-nine miles north. United States Highway 74 passes through Maxton and connects seven miles away at Laurinburg with U. S. Highways 15 and 501. The paved state route 71 goes through Maxton. Bus connections are scheduled almost hourly between Maxton and Laurinburg, and are frequent to Hamlet, Pembroke, and Fayetteville. The large Laurinburg-Maxton Army Air Base is only a mile from the college.

Maxton is three miles from historic Center Presbyterian Church founded in the pioneer days by the Scotch Highlanders who settled Robeson and adjoining Scotland counties. Near this church Floral College flourished before the War Between the States. A tradition of simplicity, character and culture stamps the life of Maxton. Twelve miles away at Red Springs the well-known Flora Macdonald College for young women is located. In Maxton are active Presbyterian, Methodist and Baptist Churches, a community library, weekly newspaper, various civic and women's clubs, good schools, and other community assets, and several strong rural Presbyterian Churches are nearby. Maxton had a population of 1,652 in 1940. The student is free from the distractions of a large

city and enjoys a cordial hospitality in the homes of a friendly people who have sent out many sons to serve as leaders in various walks of life, especially in the Church.

When one desires the facilities of a larger center, Laurinburg is only seven miles distant with its hospital, stores and specialized services.

BUILDINGS AND FACILITIES

GROUNDS

The campus of Presbyterian Junior College is spacious and beautiful. It comprises fifty-seven acres, including the athletic field. The front campus faces on one of the residential streets of Maxton and consists of level lawn dotted with a variety of plants. The back is a wooded grove of native dogwood, oak and long-leaf pines. The grounds are amply large for all forms of activities. The Anstress McLean Memorial Campus is the western part of the grounds.

ADMINISTRATION BUILDING

The Administration Building is a large structure, finished in pressed brick with stone trimmings. It contains three administrative offices a reception room, library, stack room, an auditorium with a seating capacity of five hundred, five laboratories, a Student Christian Association room, seven class rooms, infirmary, supply room, dining room with capacity for two hundred and forty, kitchen, store room with modern refrigeration, besides a number of small rooms for offices, consultation rooms and special work. The building is steam heated, lighted with electricity, supplied with hot and cold water and has ample toilet facilities.

MCLEOD DORMITORY

Named in honor of Rev. R. A. McLeod, McLeod Dormitory is a two and a half story structure with fifty-six bed

rooms designed to accommodate two students to each room. A fire escape protects the occupants of the third floor. The parlor on the first floor has a big open fireplace and furnishes a comfortable lounging room and gives the building a touch of home life. The building is steam heated, lighted with electricity, and equipped with modern bath rooms. A recreation room is on the third floor.

PATTERSON ATHLETIC FIELD

The D. A. Patterson athletic field is on the south end of the campus. It contains football, baseball and track layout. The soil is of a porous type and well drained, thus affording opportunity for year round outdoor sports. Fall practice for football begins immediately after the opening date of college, under the supervision of the Physical Director. Three tennis courts, and a volley ball court are near the dormitory. North of the dormitory is a field for soft ball. A three-hole practice golf course is on the west campus.

GYMNASIUM

A stucco and frame gymnasium, with a hardwood floor of standard dimensions and approved lighting facilities, was completed in January, 1934. In the spring of 1943 a fire proof dressing room was built as an annex to the gymnasium.

UPCHURCH APARTMENTS

A bungalow duplex apartment, given by Mr. T. B. Upchurch of Raeford, North Carolina, adjoins the campus on the north and houses two faculty families.

PRESIDENT'S HOME

A bungalow two doors from the college campus is owned by the college and serves as the home of the President.

LIBRARY

The Library contains 6,806 volumes in the reading room

and stock room. It is under the supervision of a librarian who will assist the students in making the best use of the Library. Instruction in utilization of the Library is a part of the orientation program. The Library is comfortably furnished and well lighted. There are selected newspapers, magazines, and journals.

DINING ROOM AND KITCHEN

The dining room and kitchen are located in the basement of the administration building. They are well-lighted, comfortable rooms, fully equipped with modern facilities for refrigerating, preparing and serving attractive meals. An experienced dietitian is in charge.

RECREATIONAL FACILITIES

An outdoor oven and picnic grounds is provided in the park on the rear of the campus. Athletic facilities have been mentioned. On the third floor of the dormitory there is a large recreation room. The S. C. A. room is a lounging room for students. Students may entertain guests in the reception room in the administration building.

STUDENT LIFE AT PRESBYTERIAN JUNIOR COLLEGE

Parents and students are vitally interested in the campus life of the school which they choose. The students themselves create the campus atmosphere to a great extent, and only those who are willing to help make an atmosphere of good citizenship are desired at Presbyterian Junior College. Friendliness, orderliness, cooperation, and sincere endeavor are desirable characteristics.

GUIDANCE AND COUNSELING

When a student sends in an application for admission he is sent a matriculation blank. In part one are questions de-

signed to help the counselors know the student. Sometimes it is possible for a member of the faculty to visit in the home of a prospective student before the student comes to the college. The orientation program is designed to help the student adjust most effectively to the college experience and to give the faculty information from the results of aptitude tests. This information helps in advising each young man.

Each professor is responsible for academic counseling to his own students. Close contact with the faculty encourages a student to go to his professor for needed explanation or help outside class. Professors are glad to give a reasonable amount of coaching without any charge. Also each student is assigned to a faculty member for general counseling. A student may consult with his counselor about any problem. Counselors seek to have a friendly conversation with each assigned student several times throughout the session. Students have access to the Deans and the President during office hours.

PERSONALITY DEVELOPMENT

Personality development is the aim of the counseling program. A student's weaknesses, as determined by tests, are pointed out and his natural talents are commended. Every student must take penmanship and spelling unless his tests have shown proficiency. A student is encouraged to take part in activities which may help toward well-rounded development. Religious counseling is included in the program. The college believes mental training needs to be accompanied by growth in spiritual insights and in faith. Jesus Christ is frankly commended to young men as unseen Friend, matchless Teacher, Giver of grace, and Lord of Life. Humbly, we hope the college may be a means to the highest and happiest living.

GOVERNMENT AND DISCIPLINE

The college is incorporated under the laws of North Carolina. The trustees are elected by the Synod of North Caro-

lina of the Presbyterian Church, U. S. The administration of the college is appointed by the trustees and under their direction the president and faculty conduct the college. By applying for admission a student agrees to live in accordance with the regulations of the college and to be faithful and diligent in carrying out his duties. Government and discipline are designed for the good of the students, and the efficient operation of the college. The college reserves the right to send away any student whose presence on the campus becomes undesirable for any reason. (See Academic Administration.) The deans and other staff members are charged with responsibility for various phases of the college life. The faculty delegates to the Student Government, subject to faculty review, the enforcement of student body regulations, and maintenance of the honor system. Through long custom freshmen are expected to wear a freshman cap and observe the freshman regulations. The Freshman Advisory Council is responsible that no freshman shall be unfairly treated. A copy of the laws of North Carolina which forbid hazing are continuously posted on the central bulletin board.

Faculty members live in the Dormitory and Administration Building to promote contact between faculty and students. When the dean of students is absent from the campus one of the other faculty members is left in charge of student affairs. A quiet time of two hours is observed each evening, except Saturday and Sunday, in the dormitory under the direction of the dean of students and monitors. Each student is required to remain in his own room and study. All freshmen are required to observe the set study hours without absence until such time as a B average is being obtained on all studies. Sophomores will be allowed to obtain excuses from study hours for good reasons if they are maintaining a C average on all courses. Any student whose weekly grade shows an I or a D will not be allowed to obtain any excuse from the observance of study hours. A student must have 30 semester hours credit to rank as a sophomore. No playing of musical instruments or unnecessary noise, within hearing

distance of the dormitory is permitted between the hours of 8:00 P. M., and 8:00 A. M., except on Saturday. The retiring hour is 11:00 P. M. At his option the dean of students may require lights to be turned off at that hour. Generally there is a check to see that all students are awakened for breakfast at 7:00 A. M. (See point system.)

HEALTH

The college physician has oversight of the health of the students and is on call at all times. Students may call at the office of the college physician without charge. The House Mother is in charge of the infirmary except during the day when a registered nurse is on duty. The infirmary is large and well arranged with adequate standard remedies and equipment. Special prescriptions and consultation or outside hospital services must be paid by the student. A physical examination, including dental and ear, eye, nose, and throat examination is standard practice for each student in the fall. Needed treatment is called to the attention of parents. Kitchen and dining room facilities are inspected from time to time by state health authorities. Milk is obtained from an approved dairy. Screening, rat-proofing, and frequent use of insecticides protect student health. All students are required to take hygiene. (Physical Ed. 11 or 12.)

PHYSICAL EDUCATION

The aims of the department of physical education are (1) To see that each student gets sufficient exercise to insure good health. (2) To teach students to maintain good health through later years through their knowledge of personal hygiene. (3) To develop skill in and a wholesome attitude toward such recreations as may be carried over into later life. Students whose examination reveals any physical defect engage in athletics only under the careful supervision of the Director of Physical Education. All students are required to take a minimum of one hundred and eighty minutes of physical exercise each week unless they are members of varsity

athletic squads or excused by the college physician. Mass games are conducted two hours each week including some military drill. All students are expected to take Physical Education 21, 22 before graduation, which teaches how to play most games. Intramural sports are carried on during the year. The program includes such sports as softball, touch football, soccer, volley-ball, basketball, and tennis. Students are required to furnish standard gym suits, which may be purchased at the student store.

ATHLETICS

Athletic contests give excellent training in the use of the body and in control of the emotions. Fair play, team play, courage, stamina, and the capacity to endure both defeat and victory are some lessons learned on the playing field. As far as war-time conditions permit the customary athletic program is carried on at Presbyterian Junior College. Teams trained under the Director of Physical Education and his assistants participate in intercollegiate contests in football, basketball, baseball, tennis and track. Athletics are maintained on a strictly amateur basis so all students may participate. No student aid is granted on the basis of athletic ability.

SOCIAL LIFE

All social affairs on the campus are carried on under the oversight of the Director of Social Activities. Periodically throughout the year social gatherings are arranged by the students. All students are invited to college sponsored activities. A reception for new members and faculty members, a Halloween party, Home Coming, a before-Christmas supper, a stunt night, the Freshman-Sophomore banquet, High School Day, and Commencement are traditional events. Flora MacDonald College is twelve miles away at Red Springs and the presence of young ladies adds to the pleasure of campus parties.

Round dancing is not permitted on the college grounds

nor sponsored by the college. Any student organization sponsoring a social gathering off the campus is required to submit all plans to the Dean of Students who takes careful oversight to insure proper chaperonage and exemplary conduct.

STUDENT ORGANIZATIONS AND ACTIVITIES

The Student Council consists of the president of the student body, the vice-president, the secretary-treasurer. The presidents, vice-presidents, and one elected representative each from the freshman and sophomore classes and from the preparatory department are also members. The Student Council is entrusted with the enforcement of student government regulations and the maintenance of the honor system.

The Student Christian Association is composed of all students. The president, vice-president and secretary-treasurer are elected by the student body. The cabinet is appointed by the S. C. A. president. The S. C. A. fosters the religious life of the students under the direction of the President of the college and the Director of Religious Activities.

The W. H. Belk Literary Society is made up of all students who apply for membership. The officers are a president, vice-president, and secretary-treasurer. The literary society, under the guidance of the faculty sponsor, selects the debate teams. When a student has taken part in sufficient debating he may be inducted into Zeta Chapter of Phi Rho Pi.

The Bagpipe is the college annual. The editor-in-chief, the business manager, and the advertising manager are elected by the student body. Each appoints an assistant. The editor appoints the other editors and assistants. *The Sandspur* is a mimeographed college newspaper published from time to time under an editor and business manager, elected by the students.

A Dramatic Club is organized each year in which there is sufficient interest to put on a play.

The Glee Club is carried on under the Director of Vocal Music. It elects its own officers. Some years it has been organized as the Presbyterian Junior College Community Glee Club, inviting all music lovers in the community to take

part. A sacred concert before Christmas, a concert in the late spring, and participation in religious services and in radio and other programs are expected activities of the Glee Club.

A *Band and Orchestra* are organized when there is sufficient talent and interest in the student body. A good band was organized in 1942-43.

The Block "P" Club is composed of men who have made their letters in some sport. A Photography Club, Aviation Club, and other special interest clubs have been organized from time to time.

Each faculty adviser may call together the students who are assigned to him for counseling. Such a gathering is called an Adviser's Group social.

RELIGIOUS LIFE

Presbyterian Junior College believes in educating the whole personality including the religious nature. The truly educated man needs to know truth from all sources, including the revealed Christian truth. Religion is accepted as an expected factor in human life and an effort is made to let the light of Christian teaching fall upon all realms of human experience. The fullest freedom is granted to each student to hold his own opinions and to the faculty to teach Christian truth. Each day a short worship service is held in chapel and attendance is required. The devotional is often conducted by members of the faculty and student body. Frequently outside speakers are present for this program. All students take Bible. Each night a voluntary prayer service is conducted by the students in one of the dormitory rooms. A vesper service is conducted each Sunday afternoon by the S. C. A. Each student is expected to attend the local church of his choice each Sunday morning. In addition to the religious program at the college there is opportunity to take active part in the Sunday Schools, young people's organizations, choirs, and mission chapels of the local churches. A new educational building has been dedicated by the Maxton Presbyterian

Church. In 1942-1943 about 10% of the students at college were candidates for the ministry.

REQUIREMENTS FOR ADMISSION

Each applicant must apply on an *Application for Admission* blank. A copy is in the back of the catalog. Satisfactory evidence of good moral character must be furnished. The application for admission should be accompanied by the registration fee of \$5.00 to reserve a room. When the application is received the college will send a matriculation blank. Part I should be carefully filled out by the applicant. He should have Part II filled out by the high school principal or college registrar of the school last attended, and mailed by the principal or registrar to Presbyterian Junior College.

ADMISSION TO THE PREPARATORY DEPARTMENT

For admission to the senior high school department the applicant must present evidence of having completed the ninth grade with a minimum of six high school units. One unit should be in English. The one unit in Biology required by the State Department of Public Instruction of North Carolina, or its equivalent, should have been completed.

ADMISSION TO THE COLLEGE DEPARTMENT

Applicants must furnish evidence of having graduated from a high school accredited by a State Department of Education. Several State Departments of Education have arranged plans for admission to college of bright students before high school graduation in order to permit as much education as possible before military service begins. Presbyterian Junior College will cooperate with the State Departments in their plans and accept the results of their examinations. However, we advise the utilization of our own high school acceleration plan because no work is omitted.

High School units should be grouped as follows:

Candidate for Associate in Arts Degree

English	3	Units
Mathematics	2½	Units
Foreign Language	2	Units
History	1	Unit
Science	1	Unit
Electives	5½	Units

Total Minimum 15 Units

Candidates for Associate in Science Degree

English	3	Units
Mathematics	2	Units
Foreign Language	2	Units
History	1	Unit
Science	1	Unit
Electives	6	Units

Total Minimum 15 Units

SPECIAL STUDENTS

Students who fail to meet the requirements for admission to college but who do meet the entrance requirements for the high school department may be admitted as special students to some of the college courses for which they are scholastically prepared provided they also are carrying the courses which are required to make up their shortage in college entrance requirements. No college credit will be granted until the high school diploma has been received. Full articulation between high school and college courses enables many students to save as much as a year's time. For illustration, while finishing one or two required courses for high school graduation a student may be taking three or four college courses. An *Application for Admission Blank* is in the back of the catalog.

ENROLLMENT PROCEDURE

On Registration Day the student should report to the President's office in the Administration Building. Since some

time is required to register a large number of students an early arrival should be planned. In the hall of the Administration Building several faculty counselors will help a student fill out a blank designating desired courses. The student takes his place in line for an interview with the Registrar, where his registration card is filled out. He passes down the line and secures his books. Then he has his bill completed by the Business Manager and makes payments. He is given a key to his room and proceeds to make himself at home.

ORIENTATION PROGRAM

Each fall the orientation program is conducted. An effort is made to help each student find himself and learn how to make the most of his college career. New students should watch the bulletin boards for announcements about phases in the orientation program. Aptitude tests, introductions to college organizations, and activities, social gatherings, discussions of themes, such as *The Use of the Library* and *How to Study*, and inspirational speakers are elements in the orientation program.

ENGLISH AND MATH REQUIREMENTS

Every student is required to make a satisfactory grade on standard tests in English and Mathematics, or to take remedial courses until a satisfactory grade is attained. Students found to be weak in penmanship or spelling must attend a special coaching class in these subjects.

EXPENSES

See Summer School Supplement in this catalog for expenses at summer school.

EXPENSES FOR EACH SEMESTER FOR BOARDING STUDENTS

(Eighteen Weeks or One-Half of the School Year)

Dormitory, including lights, heat and water	\$ 38.00
Board	95.00

413.00
 28.00

 441.00

PRESBYTERIAN JUNIOR COLLEGE FOR MEN 39

Medical Fee	4.00
Tuition	67.50
Library Fee	5.00
Student Activity Fee	10.00

220.50
 441.00

Total Fixed Expense for Year \$413.00

EXPENSES FOR EACH SEMESTER FOR DAY STUDENTS AND CO-EDUCATIONAL STUDENTS

Tuition	\$ 67.50
Library Fee	5.00
Student Activity Fee	10.00

\$ 82.50

Total Fixed Expenses for Year \$165.00

In addition to the above charges, each student taking some courses will pay a laboratory fee at the beginning of each semester as follows:

Biology	\$5.00	Office Practice	5.00
Chemistry	5.00	Typing	5.00
Geology	3.00	Mechanical Drawing ..	5.00
Physics	7.50	Descriptive Geometry	5.00
Accounting	2.50		

Laundry services under school contract are available to each student for an additional charge of \$13.50 for each semester.

Lockers may be rented for fifty cents per semester with a fifty cent lock deposit. Unlocked lockers may be used without charge.

The Student Activity fee includes athletics, glee club, literary society, Student Christian Association, visiting speakers, and refreshments for some social events according to a budget set up by the Administration. The year book expense is not included.

5-1-3

PART-TIME AND NIGHT CLASSES

A special student taking one class pays \$6.00 per month tuition and seventy-five cents combined fees, or \$30.37 per semester of four and a half months. Night classes will be arranged when as many as ten students register. Hurry-up War Training Classes in shorthand and typing have been conducted in 1942-43 at night to help supply the pressing need for office workers at nearby military bases. The charge is thirty cents per hour or \$16.20 for a fifty-four hour course.

ADMISSION OF WOMEN

Presbyterian Junior College for Men, Inc., was founded as a college for men. Located twelve miles away at Red Springs is Flora Macdonald College for women. No dormitory space is provided for women on our campus. We welcome women as day students and a considerable number attend each year, especially in commercial courses and night classes. We will be glad to help arrange housing accommodations in selected residences in Maxton for young women wishing to attend summer school. (See General Requirements, number 25.)

REGISTRATION AND ROOM RESERVATION FEE

The registration fee of \$5.00 is required from each student before a room reservation can be made. This fee is not refunded unless the student actually attends for the session for which the reservation is made. In event the student does attend, this fee is used as the Damage Deposit required of all students as a guaranty fund against damage to college property. Each student is fully responsible for any damage caused by him to college property. Unless it is necessary to charge uncollected assessments against the Damage Deposit it is refunded to the student at the close of the school year.

New textbooks may be purchased from the Business Manager's office at prices listed after each course description. A limited number of used textbooks are available at 60% of new prices.

FOOTBALL

BASKETBALL

Due to the uncertainties of war, the College reserves the right to make changes in charges upon thirty days notice.

Write for Summer School information for Summer of 1944.

CARE OF PROPERTY

Property of a value exceeding \$200,000 has been provided by the Church and friends of education for the use of young people attending Presbyterian Junior College. All students should cooperate in preserving this property for their own use and the use of on-coming generations of young people. Any accidental damage to property should be reported by the student to the Business Manager. The student pays for repair or replacement. Malicious damage is treated as a violation of the honor system. No college property may be moved from the room in which it is placed except by permission of the Business Manager. No addition or alteration to the buildings or equipment is permitted. Property inspections are held from time to time. Each piece of furniture has a number and its condition is recorded in the property files.

PAYMENT OF ACCOUNT

The entire charges for the semester are normally payable each semester in advance. Arrangements may however be made with the Business Manager for quarterly or monthly payments. When an agreement is made for quarterly or monthly payments a fee of \$2.00 and \$4.00 respectively is charged for this privilege and the agreement for these payments must be kept to the letter or the student will automatically be barred from school under the regulations of the Board of Trustees. No student whose account is in arrears will be permitted to take any semester examinations.

LATE REGISTRATION FEE AND SPECIAL EXAMINATION FEE

After registration ends a charge of \$1.00 per day up to \$5.00 is made for late enrollment for classes. For a special examination a charge of \$1.00 is made.

BOOKS AND SUPPLIES

New textbooks may be purchased from the Book and Supply Store in the Business Office at publisher's prices. Textbooks with their last quoted price are listed after each course description. A limited number of used textbooks are available at 60% of the prices of new books. The Book and Supply Store sets certain days at the end of each semester in which needed second hand books are purchased from students at 40% of the price of new. Thus a student may generally reduce his textbook costs to 20% of the price stated after each course.

INSURANCE

In order to encourage the carrying of accident insurance, the college handles a policy for a well known company without compensation nor charge to the student. The price is \$10.00.

FEE FOR USE OF RADIO OR ELECTRICAL EQUIPMENT

A charge of \$1.00 per semester is made for the use of current for a radio. A room having over two electric lights or having other electrical attachments will be charged according to the extra current used.

ACADEMIC COSTUME AND GRADUATION FEE

Graduates from the high school department and one year commercial students wear gray gowns. Junior College graduates wear black gowns. These may be rented through the college. A diploma fee of \$5.00 will be charged to each graduate.

SPENDING MONEY ACCOUNT

Parents may deposit money with the Financial Secretary to be paid as a regular allowance to students. Life at Presbyterian Junior College is full of interest and satisfying activity. The student finds a well-rounded program which stimulates

his growth in body, mind, experience and in spirit. With this program in operation as a part of the regular services of the college, the spending money needed by the average student for extra curricula activities is far below the needs of students at many schools. An allowance of from 25c to \$1.00 a week is ample for spending money.

REFUND OF FEES

A student withdrawing from college must check out on a form supplied by the Business Office. He will be refunded on all payments, except registration and laboratory fees, on a per diem basis. The charge will be for the number of days attended plus 10%.

DORMITORY REGULATIONS

Room assignments are made as received and the more choice rooms are assigned to early registrants. A student must register for the following session before the end of the current session in order to hold the same room. Requests for chosen roommates will be honored whenever possible. Both students should register and request the same room.

PREPARATORY SECTION

A section of the dormitory is set aside for students in the preparatory department. From time to time the Dean of Students announces special regulations for this section in order to benefit the preparatory students.

ROOMING REGULATIONS

Each room is for two students. Each room has a lock. Lost keys must be replaced or paid for. The college reserved the right to inspect rooms at any time. Each student makes his own bed and cleans his own room. Janitors enter rooms only upon instructions. If room is swept before 8:30 A. M., the sweepings may be left on the floor for the janitor to sweep out. Otherwise, all dust and trash must be deposited in the receptacle in the hall. Students are required to have

rooms cleaned for room inspection each day. No student can transfer from room to room without permission of the Dean of Students and the Business Manager. No guests may be entertained overnight without the approval of the Dean of Students. Unchaste pictures are not allowed in rooms. Quiet is observed from 8:00 P. M., to 8:00 A. M. Retirement hour is 11:00 P. M., and the Dean may require all lights to be turned off at his discretion. Proper dress is required of all students at the dinner hour.

ROOM FURNISHINGS

Each room has two closets, two single beds or a double deck bed, a bureau or chiffonier, two study tables, two straight chairs, a rocking chair, a shade, one light globe, a broom, trash receptacle, and dust pan. Students furnish their own bed clothes and toilet articles. A few blankets and sheets may be rented from the college. We recommend that the following articles be brought: Four single sheets, one pillow and two pillow cases, two blankets, two spreads, six bath towels, necessary toilet articles, an inexpensive rug, a runner for the bureau, and curtains for a window four feet by six feet. Mark all articles. No student may move college furniture or fixtures into another room without written permission of the Business Manager.

TELEPHONE

A pay station (number 9146) is in the dormitory for the convenience of students.

FINANCIAL AID

Scholarships of 50% of the charge for tuition are available to boarding students who are needy candidates for the ministry and to sons of ministers or missionaries. When two brothers are attending the regular session of college at the same time 25% is deducted from the tuition charge of each of them if it is demonstrated that such aid is needed. Write for application papers.

ANSTRESS McLEAN MEMORIAL LOAN FUND

Mr. and Mrs. A. A. McLeod and their daughter, Miss Mary Stewart McLeod when they deeded the Anstress McLean Memorial Campus to the College, specified that the value of the land should be granted by the President to students each year for a period of years in small notes bearing interest. As these notes are repaid, the funds become available for further loans to worthy young men.

CHURCH LOAN FUND AND OTHER FUNDS

The Presbyterian Church in the U. S. has a loan fund available to young people in college. There are several other loan funds available. Any young man with a good mind, a healthy body, a sincere desire for an education, and a willingness to work and economize should be able to secure an education. We invite such young men to correspond with the President of the college.

STUDENT WORK PROGRAM

All honest toil is honorable. A considerable number of our students take part in the work program. Among them each year are found some of the most popular and outstanding student leaders. It is the custom each year on Founders Day for the faculty and students to give a half day of work in some project for the college welfare or improvement. The college work program goes beyond the N. Y. A., and provides employment for a considerable number of students of limited resources. Blank for making application for part-time employment may be obtained from the college. After investigation and action by the Committee on Scholarships and Loans each applicant will be notified of his work grant in writing. Applications must be accompanied by the \$5.00 registration fee. If work grant is declined within ten days after notification the registration fee will be refunded. No grants are made on the basis of athletic skill.

The college is not in sympathy with any system of getting something for nothing and therefore expects to pay em-

ployees for value received; therefore each student will be expected to earn the amount of student work grant by hard honest labor on the project to which he is assigned. We believe only this attitude is consistent with our efforts to develop Christian character. Each student must hand in his time sheet after having it signed by his work supervisor. The administration reserves the right to cancel any aid grants where the student fails properly to perform the duties assigned or proves unworthy of the grant made by failure to cooperate with the policies and ideals of the college.

NATIONAL YOUTH ADMINISTRATION PROGRAM

Work under N. Y. A. is handled just as the other student work, subject to government regulations.

STUDENT PLACEMENT

The college Vocational Guidance Committee is glad to help place graduates. Information concerning Civil Service opportunities, War Service needs, and commercial openings is available for students.

There come requests to the college from time to time to look back over student records for a period of years and suggests one or more men for specific employment opportunities. The college record furnishes a frequent source for recommendations. The college continues its interest in all alumni and is glad to help in their placement and advancement.

ACADEMIC ADMINISTRATION

TERMINOLOGY

A college semester is a period of approximately eighteen weeks, in which a student by attending three hours of class per week earns three semester hours credit in each subject. Each semester hour is approximately one hour for eighteen weeks or eighteen clock hours.

A term in summer school is about six weeks in which

time daily recitations and longer recitation periods enable a student to complete a semester's work in a few subjects.

A high school unit represents approximately one hundred and twenty clock hours of work in a subject.

REQUIREMENTS FOR GRADUATION

FROM THE HIGH SCHOOL DEPARTMENT

A high school diploma will be given to students who complete with their previous high school record a minimum of 16 units in accordance with the standard requirements of the North Carolina Department of Public Instruction.

A certificate will be given to students completing the course of study outlined for the twelfth grade after graduation from high school.

FROM THE COLLEGE

An Associate in Arts or Associate in Science Degree will be given to students completing one of the prescribed courses of the college department with a minimum of sixty-eight semester hours credit and a minimum of seventy-five merit points. (Merit points are awarded as follows: for a mark of "A," 3 merit points for each semester hour are given for the course; for a mark of "B," 2 merit points for each semester hour are given for the course; for a mark of "C," 1 merit point for each semester hour credit given for the course).

FROM TERMINAL COURSES

A diploma is awarded to students satisfactorily completing the Junior College Academic course or the Associate in Business Administration course. Students satisfactorily completing the one year business course or the one year merchandising course are awarded a certificate.

CORRESPONDENCE COURSES

Students whose college work has been interfered with by being called to military service may take correspondence

courses from the Army Institute and receive credit at Presbyterian Junior College. The college will work out arrangements for other correspondence courses as there is a real need on the part of a student for this service.

ACCELERATED SESSION, SUMMER SCHOOL, 1943

5. EDUCATION BEFORE MILITARY SERVICE

The college urges high school graduates to accelerate their educational progress by entering college on June 7. During the two summer terms, one beginning June 7, and the other July 19th, a college freshman can complete twelve semester hours. This is one-third of a standard year's work in college. Thus by attending during the summer a student will complete college work much more rapidly and have better preparation for military service and for civilian life after the war.

THE PREPARATORY DEPARTMENT

Summer school courses will also be offered in the preparatory department at the 10th, 11th, and 12th grade levels. By attending summer school the high school youth may finish high school much sooner and have time for college work before military service. Parents of high school boys should seriously consider the advisability of utilizing the accelerated program for the full year. Our accelerated program continues through both the summer session and the regular winter session. By attending classes on Saturdays and by the help from our emphasis upon personal attention, a capable high school student may make much more rapid progress than in public school. Our program does not leave out a single hour of class room instruction nor lower standards. In addition to 52 Sundays the accelerated program allows about 36 vacation days during the year. The articulation between the college and preparatory courses on the same campus makes it possible for a young man to begin college

work in some subjects the last year of his high school course. When he receives his high school diploma he receives college credit for the college work he was carrying his last high school year. Write us about your son and let us suggest how he may secure maximum educational progress before military service.

The national government recognizes the need that a continuing supply of young men shall be trained for the professions in many fields, including Engineering, Bacteriology, Chemistry, Physics, Mathematics, Meteorology, Architecture, Radio, Sanitation, Agriculture, Forestry, Pharmacy, Optometry, Medicine, Dentistry, Veterinary, and Theology (See Selective Service Occupational Bulletins 10 and 11, amended March 1, 1943). There is provision that a student may be deferred until he has completed his professional training, *provided he is far enough along in his course when he becomes subject to draft*. This means that all students who hope to prepare for a profession should accelerate their educational progress to the greatest degree consistent with health and thorough work.

BUSINESS COURSES

It is possible to finish the standard one year courses in typing and shorthand by attending both terms of summer school. Last summer every pupil passed the Civil Service examination in typing at the end of the summer school.

SUMMER SCHOOL CALENDAR, 1943

First Term, Preparatory and College

- June 7, Monday, 2:00 P. M.—Enroll for classes for first term.
- June 8, Tuesday, 8:00 A. M.—Classes begin.
- July 5, Monday—Holiday for Independence Day.
- July 19-21, Monday through Wednesday—Final examinations for first term.

Second Term, Preparatory and College

July 19, Monday, 2:00 P. M.—Enroll for classes for second term.

July 20, Tuesday, 8:00 A. M.—Classes begin.

August 30-31, Monday and Tuesday—Final examinations for second term.

Preparatory Department Courses, First Term

Bible 21 (A)—Jesus Christ, His Ministry and His Message.

English 10-A1—American Literature.

English 12-A1—English grammar, punctuation and spelling.
(Twelfth grade)

Math. 12-A1—Math. review. (Twelfth grade)

Math. 11-A1—Plane Geometry.

French 12-A1—Elementary.

Spanish A1—Elementary (If sufficient demand).

Physics 12-A1—High School Physics.

Social Science 10-A1—American History.

Business Administration 1 and 11—Typing and Gregg Shorthand (Taught on college level but high school graduation not required.)

Preparatory Department Courses, Second Term

Bible 22 (A)—The Acts to Revelation.

English 10-A1—American Literature.

English 12-A2—English grammar, punctuation and spelling.
(Twelfth grade continued.)

Math. 12-A2—Math. Review. (Twelfth grade)

Math. 13-A1—Solid Geometry. (If sufficient demand)

French 12-A2—Elementary.

Spanish A2—Elementary (If sufficient demand)

Physics 12-A2—High School Physics.

Social Science 10-A2—American History.

Business Administration 1 and 11—Typing and Gregg Shorthand (Continued).

Collegiate Department, First Term

Bible 21—Jesus Christ, His Ministry and His Message.

English 11—English grammar and composition. (Freshman)

- English 21—English Literature. (Sophomore)
 Math. 11—College Algebra. (Freshman)
 Math. 21—Analytical Geometry.
 French 12—Intermediate. (If sufficient demand)
 Spanish 11—Intermediate. (If sufficient demand)
 Physics 11—College Physics. (Freshman)
 Mechanical Drawing—(Math. 31—Freshman)
 Social Science 41—Europe since 1815.
 Social Science 91—American History.
 Chemistry 11—General Inorganic Chemistry.
 German 11—Elementary German.
 Business Administration 1 and 11—Typing and Gregg Short-hand.

Collegiate Department, Second Term

- Bible 22—The Acts to Revelation.
 English 12—English grammar and composition. (Freshman, continued)
 English 22—English Literature. (Sophomore, continued)
 Math. 12—Plane Trigonometry.
 Math. 22—Calculus. (If sufficient demand)
 Physics 12—College Physics. (Freshman, continued)
 Chemistry 12—General Inorganic Chemistry. (Freshman, continued)
 Social Science 42—Europe since 1815.
 Social Science 92—American History.
 German 12—Elementary German.
 Business Administration 1 and 11—Typing and Gregg Short-hand (Continued.)

Other courses may be added or changes made if there is evidence that such alterations are advantageous. Write to the office of the President discussing your needs.

Expenses for Each Term

Registration fee (Returnable)	\$ 5.00
Dormitory, including light and water	5.00
Course fee, \$4.50 each semester hour; 2 courses or 6 semester hours	27.00

Incidental fee	5.50
Total fixed charges, less registration fee	\$37.50
Board may be secured in the college dining hall each term at a charge of \$36.00. By the day at \$1.00 per day.	
The \$5.00 Registration fee becomes a damage deposit, and is returned at the end of the last term attended less any charges for damage.	

Summer School Laboratory Fees Each Term

Chemistry	\$ 5.00
Physics	5.00
Typing, for both terms.....	5.00
Mechanical Drawing	5.00
Books sold by Book Store. Used books 60% of cost of new.	

Arrangements will be made for rooms for young women in private homes in Maxton.

Entrance Dates, June 7 and July 19. This summer school seeks to have somewhat the same atmosphere which has made young peoples' religious conferences enjoyable and inspiring. Write for catalog—enroll early.

PRESBYTERIAN JUNIOR COLLEGE

Maxton, N. C.

CLASSIFICATION OF STUDENTS

Students in Elise Senior High School are Preparatory students. Other students are Freshmen, Sophomores, or Special students. The Preparatory, Freshman, and Sophomore classes are the basic divisions. Special students are grouped with the basic division into which they best fit. A large number of Special students at Presbyterian Junior College in recent years have been aviation students under Civilian Pilot Training and then War Training Service. These trainees live in the armory in Lumberton.

By custom all first year men observe freshmen regulations. Also it is customary to speak of the sophomore or

graduating class as Seniors. For sophomore classification thirty semester hours are required. For freshmen, a high school diploma is required. Commercial students are ranked as freshmen or sophomores. All regular students are required to carry fifteen hours of college work per week and one may take as many as eighteen hours. A student may take a four semester laboratory course instead of a three semester lecture course and Physical Education may be carried extra.

CHANGES OF SCHEDULE OR COURSES

The Registrar will post a notice of the date when dropping courses ends. This date will be about two weeks after registration day. No new courses should be begun after that date and there is a fee of \$1.00 charged to drop a course.

Changes in schedule of classes may be made when it becomes necessary or when it is to the advantage of all concerned. Only in exceptional cases, where previous record has warranted, will a student be allowed to enter later than two weeks after the first meeting of classes. Two-thirds of the recitations in each subject must be attended in any course upon which credit is allowed. At any time during the year, by faculty vote, a student may be required to transfer from a sophomore to freshman course or from a freshman to college preparatory course because of inability or lack of preparation to carry the higher work.

GRADING

A feature of our educational program is the weekly grade report. This enables a student to know his progress and weakness in plenty of time to improve his standing. This has proved helpful to many students.

It is the policy of the college to maintain a high academic standard. It is unfair to both student and patron to grade unacceptable work as satisfactory. A student transferring from our classes to complete his education in another college or university will find he is prepared for the higher work if

he has received a grade of 75, which carries a recommendation for advanced college work.

Excellent	A, 93-100
Above Average	B, 83-92
Average	C, 75-82
Low Pass	D, 70-74
Condition	E, 65-69
Incomplete	F, Below 65
Failure	I

A student conditioning a subject will be allowed one re-examination on that subject and the mark will be only 70. Failure to pass the re-examination will make it necessary to repeat the course.

The valedictorian is selected without including the last six week's marks in the computation so as to allow time for preparation of valedictory.

THE DEAN'S LIST AND HONOR ROLL

At the end of each six weeks period an honor roll consisting of the names of all students averaging "A" and a Dean's List consisting of the names of all students who have an average of "B" for the period will be posted. All students whose names appear on the Honor Roll shall be entitled to a total of three absences without excuse during the following six weeks period. All other students whose names appear on the Dean's List shall be entitled to a total of two absences without excuse during the following six weeks period. These privileges shall not be cumulative.

The Dean's List and Honor Roll are printed in the catalog.

REPORTS, FAILURES, DROPPING TO PREPARATORY

Shortly after the end of the first six weeks period in the first semester a report will be sent to the parent or guardian. A term report will be sent at the end of each semester giving final grades for the semester. Other reports will be forwarded as they are requested. Students should not become discour-

aged if class marks are low at first. The grade will be determined by a combination of daily recitations, monthly and six weeks tests, and final examinations. Generally daily marks count two-thirds and tests and examinations count one-third.

Students conditioning on a subject will be allowed one re-examination. A failure makes it necessary to repeat the course. A student who fails to pass at least six semester hours in a semester may be automatically dropped from the roll of the school. However, where character and conduct are satisfactory and there is evidence of earnestness on the part of the student, the faculty may allow the student to drop to a lower classification and continue in school. In this way a freshman would take preparatory work in subjects in which there was deficient preparation. Sometime it is wise for a student to take such a running start before the jump into college work.

THE POINT SYSTEM

There must be some means to hold up a proper standard of diligence in college duties. It is desirable that young men shall have as much freedom of choice as is consistent with a cooperative enterprise such as a college. A point rating system has been worked out by the faculty with both these ends in view. The faculty permits a student to be absent from a few college exercises without penalty. The faculty grants 50 points to each student to spend as he chooses. However, when 35 points have been expended the student may be called before the faculty discipline committee and warned and a letter may be written to the student's parents. When 51 points have been expended the student is placed on campus for two weeks. When another ten points have been expended there is another campus for two weeks. Over seventy points carries suspension for the remainder of the semester. Each faculty member may assign points up to five for infraction of order which comes to his attention. The Dean of Students may assign points according to offense. The student is urged to save his points for use in case something comes up which

makes him wish very much to be excused from college duties for a short time. Penalties for various matters are stated under General Requirements. Day students have a smaller point allowance.

PROBATION, SUSPENSION, EXPULSION

Probation is conditional attendance at college. If the conditional is not fully complied with the student is automatically suspended.

Suspension is temporary withdrawal of the privilege of attending college. At the end of suspension the student may resume attendance in good standing.

Expulsion is permanent debarment from college. It carries a notation of dishonorable discharge on the college transcript.

EXCUSES, CLASS CUTS, TARDINESS

Students should arrive in time for the aptitude tests on the first registration day. He should attend all classes, college chapel services, Sunday morning services at Church, all assignments for class periods, and laboratory duty, study hours, and all regular college functions through graduation exercises.

Maxton, Laurinburg, and Red Springs are considered the college community. To go beyond this the student must have permission of the Dean. Except in emergency a student must present a written request from parent or guardian before permission will be granted to leave the college community. Parents should encourage the student to be attentive and diligent. The college course is planned to be a full-time developmental experience and frequent absence is likely to hinder the student's progress.

Tardiness is marked as an absence on the third offense. The point penalties for absences is set forth under General Requirements. Double points are assigned before and after holidays to discourage early leaving and late returning. One week-end in each month a student may be absent without

CHAPEL

LIBRARY

Baseball

Tennis

Bagpipe Staff

Student Council

Glee Club

Debaters

penalty. Other week-ends he is required to attend the Church of his choice in Maxton. Under the accelerated program the college continues for all year except for about thirty-seven holidays during the year.

STUDY PERIOD

Except when the study period is set aside by the Dean, each student goes to his room at 8:00 P. M., and remains until 10:00 P. M., in study. After study there must be quiet until 8:00 A. M. It is expected that students will give other time to study also during the day.

PARENTS

Parents should encourage students by praise for good work and kindly urging when work is poor. The counselors are always glad to have the benefit of a parent's insights and understanding of a young man.

Parents and out of town friends of students will be welcomed to the dining hall as guests for one meal. The Dietitian should know before the meal. For visits covering two or more meals the charge is fifty cents per meal or a dollar per day. If rooms are available in the Administration Building for lodging there is a charge to a parent of fifty cents per night. In cases of serious illness or accident parents will be notified.

PROGRAM OF STUDY PREPARATORY DEPARTMENT ELISE SENIOR HIGH SCHOOL

Presbyterian Junior College offers the last three years of high school work in the Preparatory Department. The Twelfth Grade gives a thorough review in fundamentals in order to better prepare for the exacting work in leading universities and in West Point and Annapolis. A student who has omitted language or some other course required for college entrance may make up the deficiency while progressing in other studies. The educational values in a well conducted preparatory school

have long been recognized in America and abroad. The Preparatory Department provides for the boy whose parents desire for their sons a thorough academic training under college instructors and with a distinctively Christian environment and emphasis. By attending Preparatory School, especially during the summer accelerated program, a young man may finish high school earlier and have time to finish college before becoming subject to military service. Due to the uncertainties of times of war, the College reserves the right to make such changes in the program as shall be advisable or necessary.

The student will consult with the registrar about possible electives. It should be determined that a particular elective will fit into the requirements of the particular course the student plans to pursue toward a degree. Possible electives for the Associate in Science candidate include most courses offered in this catalog. For the candidate for the Associate in Science in Business Administration possible electives include Social Science; 41, 42, Europe Since 1915; 52, Government; 61, 62, *Economic and Strategic Geography*; 71, 72, Current History; 81, World Reconstruction. No credit on typing or shorthand toward a B.S. degree in Business Administration will be transferred to a school of Business Administration, although it is recommended that students for this degree take typing and shorthand in addition to courses outlined under curriculum III.

For students who have not chosen a vocation the Associate of Arts or the Associate of Science courses are recommended.

PRE-INDUCTION AND WAR TRAINING COURSES

Mathematics and Physics courses are excellent pre-induction training. Physical training is stressed for all students. French, Spanish, and German are advocated for students who face military service. Special courses such as first aid and code are not listed for credit in the catalog. Military drill without arms is part of the Physical Education program. Courses like Government furnish excellent background for Civil Service positions. The Dean and counselors will be glad to advise each student as to courses best suited to his individual plans.

TERMINAL COURSES

Many young people today desire only two years of college work after which they plan to begin their careers as junior executives in semi-professional vocations. Such students desire excellent training in fundamental processes with emphasis

upon tool courses such as Math. and English. Also they wish training which will fit them to begin their chosen vocations. Along with this they desire as much cultural and background education as time will permit.

The provision of such terminal courses of instruction has come to be one of the major services of junior colleges. The following general courses are designed for students who are not planning to continue their education after completing junior college work. The curricula are planned to give a student the best and most comprehensive training in two years without regard to transfer of credits to other colleges or universities.

These courses do not prepare students for other colleges.

COURSES OF INSTRUCTION

I. AVIATION

AVIATION 31, 32—SECONDARY.

Secondary training according to government regulations 240 hours. Prepares for service as transport pilot. Credit according to Army Institute recommendations. Any student may attend with own arrangements for transportation. Taught at Lumberton Armory.

MR. McARTHUR
MR. SMYTH

FLIGHT INSTRUCTION

In regular secondary course, fifty hours. Only enlisted reservists eligible. At government expense. Flight from paved mile-long runways of new Lumberton Airport.

MR. BARNES
MR. CRANK

II. BIBLE

BIBLE 11—OLD TESTAMENT HISTORY FROM GENESIS TO SOLOMON.

A careful study of the Scripture with emphasis upon fac-

tual content. Moral and spiritual values are noted and applied to present day life. First Semester.

MR. MAURY

BIBLE 12—FROM SOLOMON TO JESUS CHRIST.

A historical study of the life of the Hebrews from the reign of Solomon to the beginning of the public ministry of Jesus Christ. The emphasis is upon the Scripture narrative with brief notation of other records and a summary of the period between the Testaments. Second Semester.

MR. MAURY

BIBLE 21—JESUS CHRIST, THE MINISTRY AND MESSAGE OF THE MASTER.

A study of the four gospels by the use of a harmony. The life, teachings, and sacrificial death of Christ are studied as set forth in the gospel narratives. First Semester.

MR. LAMOTTE

BIBLE 22—THE ACTS TO REVELATION.

A study of the establishment of the Church as recorded in Acts and the Epistles. The historic approach is used and all the New Testament writings are considered, with some illustrated reference to other records. Second Semester.

MR. MAURY

BIBLE 31—OLD TESTAMENT PROPHECY.

A careful reading of all pertinent passages which show the promise to Israel and its expanding fulfillment. The lives and teachings of the minor and major prophets are considered. The course ends with a consideration of the coming of Jesus as the fulfillment of the expectation of Israel. 1st Semester.

MR. LAMOTTE

BIBLE 32—ETHICAL AND RELIGIOUS VALUES IN THE NEW TESTAMENT.

A study of the life of Jesus Christ with emphasis upon His teaching and His religious significance. The Apostle Paul's interpretation of the meaning of Jesus Christ is carefully considered. Second Semester.

MR. LAMOTTE

All students are required to take Bible. The lecture period is three hours each week. This is supplemented by such individual conferences as may be desirable. Reading of all assignments is required for credit. Generally colleges and universities allow full credit on Bible except in technical courses.

Credit, three semester hours each course.

Text: American Revised Bible \$1.50

III. BUSINESS ADMINISTRATION

BUSINESS ADMINISTRATION A-1—PENMANSHIP AND SPELLING.

Now listed as English A-1.

BUSINESS ADMINISTRATION 1-2—TOUCH TYPEWRITING

This is an introduction to typewriting, the mastery of the keyboard and the development of facility in copying from straight matter. In addition to learning to write accurately and rapidly the student is given drills in addressing, billing, carbon copies, letter forms, stencil writing, tabulating, manifolding, care of machines, etc.

Graduation attainment: A typewriting speed of 40 or more words per minute. Two hours for both semesters. Laboratory periods required.

Credit, two semester hours.

Text: Stuart Typing—E. R. Stuart \$1.25.

MISS McDONALD

BUSINESS ADMINISTRATION 11-12—GREGG SHORTHAND

This course includes a mastery of principles learned through carefully planned drills in reading and writing words, sentences, brief forms, phrases and short business letters.

Three hours for both semesters. Laboratory periods required.

Credit, four semester hours.

Text: Gregg Shorthand-Functional Method—Books I, II.
L. A. Leslie \$1.10.

MISS McDONALD

BUSINESS ADMINISTRATION 21—SALESMANSHIP.

A study of the qualifications required of a salesman and how to obtain these qualifications. A study is made of the customer's buying motives and the proper way of appealing to these motives in such a way as to arouse the customer's interest and to stimulate his desire for the product which is offered for sale and methods of closing the sale.

Three recitations a week, first semester. Credit, three semester hours.

Text: Successful Salesmanship—Ivey \$3.75

MR. TUTTLE

BUSINESS ADMINISTRATION 22—ADVERTISING

A study of the fundamentals of advertising is made.

Three recitations a week second semesters. Credit three semester hours.

Text: Readings. Rental Fee \$2.00.

MR. TUTTLE

BUSINESS ADMINISTRATION 31—BUSINESS ORGANIZATION

Designed to give the student a knowledge of business and factory organization. Corporations are emphasized. External

relations with society and internal operations are treated. Means for establishing effective control and responsibility of the various functions which are performed are covered. This includes production, finance, personnel management, marketing, risk taking, records, standards, and government relationships. Three recitations per week, first semester. Credit, three semester hours.

Text to be selected.

MISS McDONALD

BUSINESS ADMINISTRATION 32—MARKETING AND RETAILING

A survey course of marketing functions and of the characteristics of various organizations engaged in the field of marketing with special emphasis on the organization of retail sales agencies.

Retail store operation includes such subjects as buying, stock control, price making, orders, sales promotion, service policies, personnel administration, salesmanship, store location and layout, retail store accounting and credit management. Three hours each week, second semester, credit three semester hours.

Text: Principles of Marketing by Maynard, Weidler, Beckman \$4.50. Retail Store Operation, Nystrom \$4.50

MISS McDONALD

BUSINESS ADMINISTRATION 51, 52—PRINCIPLES OF ACCOUNTING

The course is directed primarily at a thorough knowledge of assets, liabilities, proprietorship income, expense and debits and credits. A thorough study is made of the ledger and journals as applied to the proprietorship, partnership and corporation. Included in the numerous problems which are

assigned are complete sets of books for each form of organization. Attention is given to treasury stock, elements of manufacturing costs, the voucher system, corporate surplus, bonds, sinking funds, handling of cash, credits and collections and the analysis and interpretation of financial statements.

Three recitations a week. Laboratory period three hours both semesters. Credit, eight semester hours.

Text: College Accounting—Boling \$3.50

MISS McDONALD

BUSINESS ADMINISTRATION 61—MONEY AND BANKING

A complete survey of the history of money, study of the various money standards, the value of money and its effect on prices, proposals for monetary reform, foreign exchange, bank credit, banking operations, clearing house operations, operation of the Federal Reserve System and non-commercial banking institutions. Prerequisite: Elements of Economics.

Three recitations a week first semester. Credit, three semester hours.

Text: Money & Banking—Prather \$3.75

MISS McDONALD

BUSINESS ADMINISTRATION 62—INSURANCE PRINCIPLES

A general study of the subject including organization and practices in the field of Life, Accident and Health, Liability and Compensation, Fire, Marine and Title Insurance.

Three recitations a week, second semester. Credit, three semester hours. 1942-1943 and alternate years.

Text: Insurance Principles & Practices—Riegel & Loman \$4.00

MISS McDONALD

Work Program

**Mechanical Drawing
Laboratory**

Reading Room

Student Christian Association Officers

Party

Block "P" Club

BUSINESS ADMINISTRATION 81—COST ACCOUNTING.

A thorough study of production orders, material control, material costs, labor costs, factory overhead, joint costs, unused capacity and cost systems. Solution is required of a large number of problems including several complete sets of cost records.

Three recitations a week first semester. Credit three semester hours.

Text: Principles of Cost Accounting—Sherwood-Choce \$2.10

MISS McDONALD

BUSINESS ADMINISTRATION 82—OFFICE PRACTICE.

This course is designed to bring together the instruction offered in the other commercial courses in order to give the student a comprehensive understanding of business as a whole and of the proper relationship of the various parts of business. This instruction is given by the practical laboratory method. Each student is required to carry out all of the office duties arising from the transactions of an imaginary business which are reflected by the incoming mail which is prepared by the instructor. Students are transferred from desk to desk in a rotary plan and the course is designed to train the students after the well known "Flying Squadron" system which is used by personnel departments in training junior executives.

Three recitations a week, second semester. Prerequisite: Typing, Shorthand, English, Business Organization and Elements of Accounting. Credit, three semester hours.

Text: To be selected.

MR. TUTTLE

IV. ENGLISH

ENGLISH A-1—PENMANSHIP AND SPELLING—(Formerly BUSINESS ADMINISTRATION A-1).

Intensive drills in the Palmer Method of penmanship and in the spelling of words of common usage are given by a well prepared student under the supervision of the English and Commercial professors. Required of all commercial students at the option of the professor.

Any student whose aptitude test shows he is deficient in writing or spelling is required to take this course until proficiency is attained or no diploma will be granted.

Two hours a week, both semesters. No credit.

MR. BOOK

MISS McDONALD

ENGLISH 10A1-2—AMERICAN LITERATURE

This course is given to conform with the course in the public high schools. Three hours a week first and second semester. Credit, one unit.

Text: Literature and Life, Bk. III, Miles, Pooley, Greenlow \$2.10

MR. BOOK

ENGLISH 12A1-2—ENGLISH GRAMMAR, PUNCTUATION.

This course will consist of a thorough study of English grammar and punctuation and is designed to overcome lack of preparation in English which may have existed in the student's previous high school work. The Professor of English reserves the right to require that students entering the college department take this course in lieu of English 11-12 in the event he feels that their high school work has not properly prepared them to accomplish the work in English 11-12.

Three hours a week throughout the year. Credit, one unit.

Text: Foundation English—Searcy & Sugden \$1.25

MR. BOOK

ENGLISH 11-12—ENGLISH GRAMMAR AND COMPOSITION

The first semester comprises a thorough review of English grammar with continual practice in composition. A student may be required to take English 12A1-2 as explained above.

The second semester is a study of composition, taught by regular practice and a study of good prose readings, with careful attention given to the student's written and spoken English.

Parallel reading and term papers will be required throughout the year.

Credit, six semester hours.

Text and workbook: Complete course in Freshman English—Harry Shaw \$2.60

MR. BOOK

ENGLISH 21-22—ENGLISH LITERATURE

A survey of the field of English literature from the earliest times through the Victorian Period will occupy both semesters. Particular emphasis will be laid on leading men and periods, with a view to creating an appreciation of good reading through an understanding of great writing.

Regular reading will be required in English literature.

Three recitations a week for the entire year. Credit, six semester hours.

Text: The Literature of England—Woods, Watt & Anderson, Volumes I and II, revised edition. \$6.00

MR. BOOK

V. LANGUAGES

A. French

FRENCH A1—ELEMENTARY FRENCH

This course is designed to meet the needs of the student

who enters the Freshman class with no high school units in French. It will include a careful study of grammar, composition and simple reading.

Six recitations a week during first semester. Credit, two high school units.

Text: New Complete French Grammar—Fraser, Squair and Coleman \$1.76

MR. RUMBLE

FRENCH 12—INTERMEDIATE FRENCH

Intended for students offering two units of French from high school. This course includes reading of standard French texts and careful reviews of grammar and composition. Standard French works are read and analyzed as part of class assignment.

Six recitations a week during second semester. Credit, six semester hours.

Text: New Complete French Grammar—Fraser, Squair and Coleman; Colomba, Merimee; Les Miserables, Hugo \$3.36

MR. RUMBLE

FRENCH 21-22—ADVANCED FRENCH

This course includes the careful reading and study of two French classics in class and the reading of three carefully selected parallel books.

Three recitations a week throughout the year. Credit, six semester hours.

Text: New Complete French Grammar—Fraser, Squair and Coleman; Petite Histoire Des Lettres Francaise, Chinard; Arsene Lupin, Olmstead; Tache D'Encre, Bazin.

MR. RUMBLE

B. German

GERMAN 11-12—ELEMENTARY GERMAN.

This course will be given for those students who have had no German. Careful attention will be given to pronunciation and matters of grammar. Sentences and stories will be translated from German into English, and from English into German.

Three lessons a week for the full year. Credit, six semester hours.

Text: First Book in German—Chiles and Wiehr \$2.10
MR. RUMBLE

C. Greek

GREEK 11-12—ATTIC GREEK FOR BEGINNERS.

This course is designed for those who have had no Greek and consists of drills in fundamental grammar forms and their application in elementary composition, also selected readings from the Anabasis.

Three hours per week throughout the year. Credit, six semester hours.

Some colleges require two additional courses in Greek before credit on this course may be allowed on a Baccalaureate degree.

Text: First Greek Book—White \$2.00
MR. MAURY

GREEK 21-22—INTERMEDIATE.

This is primarily a reading course with review of principles of syntax. The last part of the second semester is spent in reading in the New Testament.

Prerequisite: Greek 11-12.

Three hours per week throughout the year. Credit six semester hours.

Texts: Anabasis—Xenophon \$2.40
Orations—Lysias (selected) \$1.20
Greek New Testament \$2.75

MR. LAMOTTE

D. Latin

LATIN 12A1-2—PREPARATORY LATIN.

Required of all who present less than two units of high school Latin as a prerequisite for Latin 11-12.

Three hours per week throughout year.

Texts: Latin Fundamentals—Hettick & Maitland \$2.25
Caesar's Gallic Wars \$1.50

MR. RUMBLE

LATIN 11-12—INTERMEDIATE LATIN.

Primarily a reading course but some time is spent on composition.

Three hours per week throughout the year. Credit, six semester hours.

Texts: Pro Melone—Cicero \$1.00
Aeneid—Virgil \$1.50

MR. RUMBLE

E. Spanish

SPANISH A1-2—ELEMENTARY SPANISH.

This course is designed to meet the needs of the student who enters the freshman class with no high school units in Spanish. It will include a careful study of grammar, composition and simple reading.

Three recitations a week throughout the year. Credit, two high school units.

Text: Basic Spanish—Barlow \$2.00
South to Mexico—Wetson and Quinamour

MR. RUMBLE

SPANISH 11-12—INTERMEDIATE SPANISH.

Intended for students offering two units of Spanish from high school. This course includes reading of Standard Spanish texts and careful reviews of grammar and composition.

Three recitations a week during first and second semesters. Credit, six semester hours.

Texts: Basic Spanish—Barlow \$2.00
Perez Escrich's Fortuna—Hills and Reinhardt .70

El Diablo Blanco—De Oteyza \$1.30

El Pajaro Verde—Valera .80

Three selected Spanish texts are required for parallel or The Spanish New Testament and one other parallel.

MR. RUMBLE

SPANISH 21-22—ADVANCED SPANISH

This course includes the careful reading and study of two Spanish Classics in class and the reading of carefully selected parallel books.

Three recitations a week throughout the year. Credit, six semester hours.

Texts: El Zarco by Ignacio Manuel Altimirano \$1.30

El Sombrero de Tres Picos—Crawford Jose \$3.30

MR. RUMBLE

VI. MATHEMATICS

MATHEMATICS 10A1-2—HIGH SCHOOL ALGEBRA

An introduction to Algebra. Three hours per week throughout the year. Credit, one high school unit.

Text: High School Algebra—Wells & Hart \$1.60

MR. CAIN

MATHEMATICS 11A1-2—PLANE GEOMETRY.

An introduction to the geometry of the plane. Three hours a week both semesters. Credit, one unit.

Text: New Plane Geometry—Durell & Arnold \$1.40

MR. CAIN

MATHEMATICS 13A2—SOLID GEOMETRY.

Theorems of the geometry of the third dimension. Three hours a week second semester. Credit, one-half unit.

Text: New Solid Geometry—Durell & Arnold \$1.45

MR. CAIN

MATHEMATICS 12A1-2—MATHEMATICAL REVIEW

This course is designed as preparatory work for college Mathematics. Beginning with a review of arithmetic, a survey of algebra and plane geometry will be made with special emphasis on fundamental arithmetical principles. Prerequisite: one unit each in Algebra and Plane Geometry.

Three hours a week throughout the year. Credit, one unit.

Text: Review of Pre-college Algebra—Lapp, Knight & Ritz \$1.00

MR. CAIN

MATHEMATICS 11—COLLEGE ALGEBRA

Begins with a review of the fundamentals of Algebra and makes a study of quadratic equations, progressions, variations, logarithms, determinants and theory of equations.

Three hours a week first semester. Repeated during second semester upon sufficient demand. Credit, three semester hours.

Text: Ford's College Algebra \$2.00

MR. CAIN

MATHEMATICS 12—PLANE TRIGONOMETRY

Trigonometric functions, fundamental identities, circular measure and the solution of right triangles, oblique triangles and spherical triangles.

Three hours a week second semester. Credit, three semester hours.

Text: Plane and Spherical Trigonometry—Granville, Smith, Mikesh \$2.65

MR. CAIN

MATHEMATICS 21—ANALYTICAL GEOMETRY.

Covers the fundamentals of Plane and Solid Analytical Geometry.

Three hours a week through the year. Credit, six semester hours.

Prerequisite: Mathematics 11, 12.

Text: Analytical Geometry—Woods \$2.50

MR. CAIN

MATHEMATICS 22—CALCULUS.

Differentiation and integration. A study of rates, maxima and minima, velocity and acceleration, areas and volumes, with emphasis on mechanical and physical applications.

Pre-requisite: Mathematics 21.

Three hours a week—Second Semester.

Credit: Three Semester Hours.

Text: Differential and Integral Calculus—Love

MR. CAIN

MATHEMATICS 31—MECHANICAL DRAWING

Projections and perspective. Special emphasis on the technique of careful and exact drawing. Laboratory fee \$5.00 Student must furnish own equipment. Blueprint reading.

Two recitations and four drawing room hours each week. Credit, four hours.

Text: Engineering Drawing—French \$3.35

MR. HAIGOOD

MATHEMATICS 32—DESCRIPTIVE GEOMETRY

Two recitations and four drawing room hours each week

Prerequisite: Mechanical Drawing Mathematics 11, 12 and 31.

Laboratory fee \$5.00. Student must furnish own equipment.

Credit, four hours.

Text: Applied Descriptive Geometry—Warner

MR. HAIGOOD

VII. NATURAL SCIENCE

Biology

BIOLOGY 11, 12—GENERAL BIOLOGY

This course is a class room and laboratory study of the fundamental questions and principles of biology. It includes the study of the cell, differentiation, division of labor, anatomy and physiology of the organs and system, reproduction and development of the individual, genetics, classification and environment influences on animals.

Two recitations and four hours laboratory each week. Credit, eight semester hours. Elective for sophomores.

Text: General Biology, 1941 edition, Nabor \$4.00

Manual \$2.00

MR. FERRENE

BIOLOGY 21—GENERAL BOTANY

This course deals with a survey of the major lower plant groups with emphasis upon the economic forms, bacteria and fungi, and with the nature of the higher plants.

Three recitations and four hours laboratory each week, first semester. Credit, five semester hours. Elective for sophomores.

Text: To be selected.

Chemistry

CHEMISTRY 11, 12—GENERAL INORGANIC CHEMISTRY

The principles of Inorganic Chemistry are studied and

discussed in class and laboratory. The purpose of the course is to prepare the student for the more advanced study of Chemistry.

Two recitations and two laboratory periods of two hours each week throughout the year. Credit eight semester hours.

Text: General College Chemistry McPherson Henderson. Revised 1940, \$5.70; Manual \$2.50

MR. FERRENE

CHEMISTRY 41, 42—ORGANIC CHEMISTRY

Elementary Organic Chemistry. For chemical students and students specializing in Pre-dental science. Meets the demand of dental college. Prerequisite: Chemistry 11 12. Credit, eight semester hours.

Text: To be selected.

MR. FERRENE

Geology

GEOLOGY 12—INTRODUCTION TO GEOLOGY

One semester will be given to an introduction to general geology. The course gives the student acquaintance with one of our leading fields of science and appreciation of the Earth and its physical features.

Three hours of class work and two hours of laboratory a week. Credit, four semester hours.

Text: College Geology Part I—Chamberlain & Salisbury \$3.25

MR. LAMOTTE

Physics

HIGH SCHOOL PHYSICS 12A1, 2

tricity, light and sound.

An introduction to the physics of mechanics, heat, elec-

Three hours a week class and two hours laboratory throughout the year. Credit, one high school unit.

Text: New Practical Physics—Black & Davis \$1.80

MR. PAINE

COLLEGE PHYSICS 11, 12

A study of the mechanics of solids, liquids and gases, and the study of heat, electricity, and light.

* Three hours a week and four hours laboratory period throughout the year. Credit, eight semester hours.

Text: College Physics, Stewart \$4.00

MR. PAINE

VIII. PHYSICAL EDUCATION

See *Health* and *Athletics* in Catalog.

PHYSICAL EDUCATION 11 OR 12—PHYSIOLOGY & HYGIENE

(Repeated each semester if necessary). A study of the structure, function and care of the human body with a consideration of the individual parts, their functions and relations to each other. The following are studied and emphasized in their relationship to everyday life: Physiology of the blood, circulation, digestion and assimilation, respiration excretion, the endocrine system and the nervous system.

Three hours a week either semester. Credit, three semester hours.

Text: Textbook of College Hygiene Smiley and Gould
\$2.50

Three semester hours credit.

MR. FERRENE

PHYSICAL EDUCATION 21, 22 OR 31, 32.

Two class meetings a week, both semesters.

This course is designed to give students a fundamental

knowledge of rules and skills of games which they will carry over into post-school life.

Two hours per week both semesters. Credit, two semester hours.

Text: Assigned from library.

MR. TUTTLE

IX. SOCIAL SCIENCE

SOCIAL SCIENCE 10A1-2—AMERICAN HISTORY TENTH GRADE
Standard requirement in history of North Carolina and for entrance into southern colleges.

Three recitations per week. Credit, one high school unit.

Text: History of the United States—Beard & Beard \$2.20

MR. PAINE

SOCIAL SCIENCE 11A1—ECONOMICS, HIGH SCHOOL

This course is to acquaint the pupil with the nature of human wants and the problem of satisfying them.

Three recitations a week first semester. Credit, one-half high school unit.

Text: Everyday Economics—Jansen & Stephenson \$1.68

MR. PAINE

SOCIAL SCIENCE 11A2—SOCIOLOGY

To create in the pupils a desire for social improvement through a critical analysis of American institutions, traditions, customs and trends.

Three recitations a week second semester. Credit, one-half high school unit.

Text: Civic Sociology—Ross \$1.75

MR. PAINE

SOCIAL SCIENCE 11, 12—HISTORY OF EUROPEAN AND AMERICAN COMMERCE AND INDUSTRY

This course will include a study of the organization and development of European and American Commerce and Industry from the breaking up of the Roman Empire down to the present. The first semester will be devoted to American and the second semester to European Commerce and Industry.

Three hours a week throughout the year. Credit, six semester hours.

Text: American Economic History—Faulkner \$3.50

Text: Economic History of Europe—Heaton \$3.50

MR. MAURY

SOCIAL SCIENCE 21 22—GENERAL ECONOMICS

This course aims to introduce the student to the study of economics. More specifically, it gives a broad view of all the devices and arrangements whereby civilized men make a living. Economic society is studied from the viewpoint of both structure and function. Every effort is made to encourage the student in independent thought with regard to the facts and problems of economic life. Open to sophomores and terminal students.

Three hours a week for both semesters. Credit, six semester hours.

Text: Introduction to Economics—Brown \$4.00

MISS McDONALD

SOCIAL SCIENCE 31—FUNDAMENTALS OF LAW

This is a course designed to give the student a general knowledge of the nature, sources and subject matter of the law. The origin and development of the common law and equity are treated briefly, special emphasis being laid upon

constitutional rules and interpretations.

Three hours a week during the first semester. Credit, three semester hours.

Text: Outlines for Review—Clark \$1.50

MR. PAINE

SOCIAL SCIENCE 32—LAW OF CONTRACTS AND COMMERCIAL PAPERS

This course is a study of the principles underlying contracts. The laws of commercial papers and negotiable instruments form the basis of the course.

Three hours per week during the second semester. Credit, three semester hours.

Text: Outlines for Review—Clark \$1.50

MR. PAINE

SOCIAL SCIENCE 41, 42—EUROPE SINCE 1815

A survey of Europe since the Congress of Vienna with emphasis on the results of modern science and the recent theories of the state.

Three hours a week throughout the year. Credit, six semester hours.

Text: A Political and Cultural History of Modern Europe—Hayes \$3.75

MR. PAINE

SOCIAL SCIENCE 52—GOVERNMENT.

Organization and activities of local, state and national governments, party policies, economic, social and legal factors in the functioning of government. Needed for background to Civil Service positions.

Three hours a week during the second semester. Credit, three semester hours.

Text: Government of the United States—Munro \$3.75
MR. TUTTLE

SOCIAL SCIENCE 61—ECONOMIC GEOGRAPHY.

A study of man's activities in production, distribution, transportation, and conservation as influenced by economic and geographic factors.

Three semester hours per week first semester. Credit, three semester hours.

Text: Economic Geography—Klim and Starkey \$4.55
MR. TUTTLE

SOCIAL SCIENCE 62—STRATEGIC GEOGRAPHY.

Prerequisite is Economic Geography. This course continues the study of economic geography with special consideration of the place of economic factors in military strategy. Young men who may soon be called to take part in military operations in the far places of the world will be prepared to understand the strategic importance of their activities. Similar to courses taught at West Point and Annapolis, the course has value to the civilian who must live in a world in which economic warfare now plays so large a part.

Three hours per week second semester. Credit, three semester hours.

Text: To be selected.

MR. TUTTLE

SOCIAL SCIENCE 71, 72—CURRENT HISTORY

A study of world events. Class will frequently begin with morning radio broadcast. Close study will be carried on of major and minor world movements in the military,

political, and economic spheres. Research assignments will cover background and history pertaining to current events. Course will be offered if there is sufficient demand.

Three hours a week during both semesters. Credit three semester hours each semester, total six semester hours. Texts assigned for research projects. Rental fee \$1.00 per semester.

MR. LAMOTTE

SOCIAL SCIENCE 81—WORLD RECONSTRUCTION.

Not only must American youth be interested in the present war. They must be prepared to win the peace. A new world order must be established after the present conflict ends. Ideals of justice, righteousness, freedom, and human brotherhood are not enough. These ideals must be applied in complex situations and among conflicting rights and national aspirations. This course is designed to provide an intelligent understanding of problems which will face the world when it attempts to establish peace. Attention will also be given to problems of post-war America. Course will be offered if there is sufficient demand.

Three hours per week first semester. Credit, three semester hours.

Text: Reports of Government Boards and Public Papers. Assigned readings. Rental fee, \$2.00.

MR. LAMOTTE

X. MUSIC

MUSIC 11—THEORY I, 1st Semester.

Musical notation, theory of scales, intervals and chord building, ear training.

To be scheduled by instructor.

MISS SPARGER

MUSIC 12—THEORY II, 2nd Semester.

Continuation of Theory I. Prerequisite Theory I. Review of Theory I.

Chords and their inversions, cadences, ear training.

To be scheduled by instructor.

MISS SPARGER

MUSIC 21, 22—THEORY III, 1st and 2nd Semester

Continuation of Theory II. Prerequisite Theory II.

Harmony, figured bass, harmonizing melodies, ear training.

To be scheduled by instructor.

Above courses open to all students. Students of applied music take Music 11, 12, 21 and 22. One hour per week. Credit two hours to students of applied music or members of courses in addition to their regular schedule.

MISS SPARGER

Applied Music

Instructions in piano and voice are available.

One lesson each week \$20.00 per semester.

GLEE CLUB

Open to all students who can demonstrate the ability to take part in the Glee Club. No fee.

ORCHESTRA

Open to all students who can demonstrate sufficient technical training to enable them to take a part in the rehearsals and performances of the orchestra. No fee. Organized in past years when sufficient student interest.

BAND

Organized in 1942-43, and in other years when sufficient interest.

SCHEDULE OF CLASSES—1943-1944

7:00 A.M.—Rising Bell Check.

GENERAL REQUIREMENTS

One of the largest benefits the student receives from his college training is the opportunity afforded him to learn self-control, self-direction and proper regard for the rights of others. All discipline at Presbyterian Junior College is maintained with this fundamental fact in view, and is intended to aid the student in realizing these traits of strong and helpful manhood.

1. New students should arrive in time for the aptitude tests on the first registration day at 2 P. M. Every student is expected to be present for the first classes and under no circumstances should he arrive later than the Formal Opening of College. He should attend all college chapel services, Sunday morning services at church, and all assignments for class periods and laboratory duty and all regular college functions through graduation exercises. After registration ends a charge of \$1.00 per day up to \$5.00 is made for late registration.

The first meal served at the college will be lunch at 1:20 P. M., on the first registration day.

2. Students are not allowed to be absent from the College Community without permission from the Dean or his assistant. Except in cases of emergency or by special arrangement, all requests for leave of absence must have the approval of the parent or guardian before the request will be granted. Frequent trips materially hinder the student's educational progress and are therefore strongly discouraged by the College. It is hoped that parents will cooperate by encouraging the students to remain with his college duties. When a student withdraws from the college voluntarily he

must see the Registrar, Business Manager, and President to obtain honorable dismissal.

3. A study period generally is observed each evening after supper except on Saturday and Sunday. During this period the student is expected to remain in his own room and apply his time to the preparation of his class assignments.

4. The friendly cooperation of the parents in helping to keep each student's grades up to the highest possible point is earnestly sought. A kindly word of encouragement from home often works wonders with a student whose grades are too low.

5. No student shall be allowed to take trips for athletics or major student activities until he is passing nine semester hours from the end of the previous stated report period. No student shall be allowed to take part in more than one athletic or major student activity until he is passing an additional three semester hours for each additional activity.

6. All regular students are required to carry fifteen hours of college work per week and may take as many as eighteen. No exceptions are allowed to these rules except where it can be clearly shown to the committee on standards that less than fifteen hours is to the advantage of the student. Only in exceptional cases, where previous record has warranted, will a student be allowed to enter later than two weeks after the first meeting of classes.

7. For the sophomore classification, thirty semester hours of credit will be required.

8. Two-thirds of the recitations in each subject must be attended in any course upon which credit is allowed.

9. Reexaminations must be taken at the first scheduled

reexamination period after the condition grade was made. See calendar.

10. At the end of each six weeks period an honor roll consisting of the names of all students averaging "A" and a Dean's List consisting of the names of all students who have an average of "B" for the period will be posted. All students whose names appear on the Honor Roll shall be entitled to a total of three absences without excuse during the following six weeks period. All other students whose names appear on the Dean's List shall be entitled to a total of two absences without excuse during the following six weeks period. These privileges shall not be cumulative.

11. Excuses for anticipated absences must be obtained from the Dean of Students before the absence occurs. Any student having an unexcused absence may receive zero for the recitation from which he is absent.

12. If, at the end of the semester, a student fails to pass as many as six semester hours of credit he may be automatically dropped from the school roll.

13. At any time during the year, by faculty vote, a student may be required to transfer from a sophomore to freshman course or from a freshman to college preparatory course because of inability or lack of preparation to carry the higher work.

14. Presbyterian Junior College does not receive young ladies as boarding students. Young women who are in driving distance may attend as day students. A letter should be addressed to the college asking admission and the faculty will act upon such application. Since there is no dean of women the administration reserves the right to ask any young woman to drop out of school, should it seem wise, without

giving any reason and without implying any censure upon the student. Young women are not eligible for student body offices.

15. Students desiring to borrow books from the Library will report to the Librarian, who will make proper record. Books must be returned, or a new record made, within two weeks. Reference books will not be allowed out of the Library.

16. Rooms will not be reserved for students until their registration fee of \$5.00 has been paid. Assignment of rooms will be made in the order in which the registrations are received. All rooms are designed to accommodate two students. No student is allowed to transfer from one room to another without permission from the Dean of Students and the Business Manager.

17. Parents and out of town friends desiring to call on students or faculty members will be welcomed to the College dining room for one meal as guests of the College. But those desiring to make a visit covering a period of two or more meals will be charged the nominal fee of fifty cents for each additional meal or one dollar per day. Arrangement and settlement for such meals should be made with the Dietitian.

18. For the convenience of the students, the College will operate a Book and Supply store. It will be operated on a strictly cash basis. No exceptions can be made to this rule. The student store devotes any profit at the end of the year to some student activity project.

19. The college gladly furnishes medical treatment and care for usual cases in the college infirmary but will charge to parents any special prescriptions and consultant service

and X-Rays and operations at cost. The college is not liable for injuries sustained on the college campus or on athletic trips.

20. While a damage deposit is required, it is intended to cover incidental damage only. Malicious damage is dealt with separately. No student is allowed to remove college equipment from the room in which it is located except upon written permission from the Business Manager. No addition or alteration to the building or equipment is permitted.

21. Dogs must not be kept on the campus. Firearms must be deposited with the Dean of Students and obtained from him for hunting.

22. Students may not keep automobiles on the campus nor in town. Permission of the Dean of Students must be obtained to bring cars to the campus for special occasions.

23. Proper and manly deportment in the dining hall will be required. The Dietitian will be in charge and all students will be subject to her directions during the meal hour.

All out-of-town men students are required to live in the dormitory. A student desiring to eat in town must appear before the faculty bringing his parent's approval. A restaurant or boarding house where students board must meet the requirements of the State Board of Health.

24. Smoking is not allowed in the Administration Building except in private rooms and offices.

25. No sports are allowed on Sunday.

26. The following discipline rating system has been worked over by the faculty. It is subject to revision by the faculty but will govern until changes are announced.

POINT SCORES

- Church Cut—4 points. Excess over 5 cuts, double points.
- Chapel Cut—1 point. Excess over 18 cuts, double points.
- Class Cut—3 points. Excess over 3 in each subject, 10 points.
- Tardy Class, third time, 3 points.
- Cuts Before and After Holidays—Double points.
- Cuts Study Hall—15 points.
- Tardy Study Hall—5 points.

PENALTY SCORES

- For unnecessary and wilfull absences, the Dean may assign double points.
- Excess 50 Points—2 weeks campus.
- Excess 60 Points—2 weeks additional campus.
- Excess 70 Points—Suspension for remainder of semester.
- Breaking Campus—Immediate suspension for remainder of semester.

DAY STUDENT PENALTY SCORES

- Excess of 25 Points—Letter to parents.
- Excess of 31 Points—One week suspension.
- Excess of 46 Points—Suspension for remainder of semester.
- Maximum points for any misdemeanor to be assigned by Professor (exclusive of Dean)—5 points.
- Each student being placed on campus must meet Discipline Committee.
- Excused absences will be granted those making Dean's List and Honor Roll, absences to be taken within six weeks period following posting of these lists.
- For every campus or suspension, a letter is to be written to the parents from the Dean.
- The major disciplinary problems are handled under the

Honor System by the students themselves through their duly elected representatives on the Student Council. Actions of the Student Council are subject to review and approval by the faculty.

27. The administration reserves the right to modify any or all requirements, without notice, in the interest of the school or its patrons.

STUDENT GOVERNMENT REGULATIONS

1. No student shall be guilty of lying.
2. No student shall be guilty of passing bad checks.
3. No student shall be guilty of engaging in hazing.
4. All students shall respect college property and shall not be guilty of willfully mutilating or destroying it in any way.
5. All students shall at all times conduct themselves as becomes gentlemen while under the jurisdiction of the college in any capacity.
6. There shall be no playing of musical instruments or unnecessary noise, within hearing distance of dormitory, between the hours of 8:00 P. M. and 8:00 A. M. except on Saturday.
7. There shall be no raffles on the college property.
8. The student body shall maintain a definitely negative attitude toward cursing and profanity.
9. Every student shall be honor bound to refrain from cheating or any appearance of dishonesty either on recitation, review, examination or any other pledge work.
10. Every student shall be honor bound to refrain from stealing.

11. Every student shall be honor bound to refrain from perjury.

12. Every student shall be honor bound to refrain from the use, possession or transporting of alcoholic liquors.

13. Every student shall be honor bound to refrain from participating in games of chance.

14. Every student shall be honor bound to refrain from immorality.

15. Every student shall be honor bound to report violations of the honor system that come under his observation. Failure to do so will be regarded as a violation of the Honor System.

Presbyterian Junior College strives to build finest well-rounded Christian manhood. As faculty and students work together and live together in a fellowship based upon high character, sincere scholarship, and Christian attitudes and ethics, we hope many lasting friendships may develop and that all the student's after years may be made happier and better by his life at Presbyterian Junior College.

FRESHMAN REGULATIONS

Hazing is unlawful according to State laws. Freshmen are expected to keep a set of regulations agreed upon by former freshman and sophomore classes. A copy of these regulations may be obtained at the office.

"To a man who believes in the Christian religion, the Christian College is not a duplication of what the state is doing, but an essential addition. It covers the whole personality of man, instead of limiting itself to a part of his faculties."—President J. A. Marquis.

ALUMNI ASSOCIATION

Annual Alumni Luncheon
Saturday, November 13, 1943, 1:15 P. M.
President, Ralph Monger
Secretary-Treasurer, Miss Fern Andrews

HONOR ROLL, 1941-42

Muse, T. C. Ray, R. B.

DEAN'S LIST, 1941-42

Hunsucker, A. L.	Turnley, W. H.
Penny, M. M.	Smith, W. T.
Poole, A. B.	Kelley, H. G.
McCoy, C. S.	Thomas, C. C.
Comer, H. T.	Stewart, D. W.
Browne, C. G.	Henderson, R. W.
Monroe, M. V.	

HONORS, 1942

Valedictorian, Charles S. McCoy.
Salutatorian, Clyde G. Browne.
Citizenship Award, R. A. McLeod Medal, Charles S. McCoy.
Mildred Johnson Hay Bible Award, presented by Dr. Fred J. Hay, Dillon, S. C., Miss Mae Penny.
Freshman Award, for highest grades in Freshman Class, T. C. Muse.
Leadership Awards, presented by faculty for noteworthy contribution to college life:
Religious Leadership, Arnold Poole.
Student Leadership, Lewis Worrell.
Best all-around athlete, Harold Turnley.
Outstanding participation in work program, Clyde Browne.
As editor of annual, Ted Smith.
Attitude of faithfulness and helpfulness, Gaylor Kelley.

How To Enter Presbyterian Junior College

1. Send in Application for Admission upon blank attached below. Rooms are reserved in the order in which applications arrive at the college. An early reservation assures that you can get a room.
2. You will be notified of your acceptance within 15 days and you will be sent a matriculation blank to fill out. Fill out Part I. Have the school last attended fill out Part II and mail to Presbyterian Junior College.
3. Study the catalog carefully. Get your baggage ready. Report at the college to the President's Office in the Administration Building, on registration day. You will be given all needed further directions.
